

In the Specification

Amend the paragraph beginning at page 6, line 24 as follows:
This describes a control sample without Abscents®-3000 zeolite.

Amend the paragraph beginning at page 6. line 38 as follows:
Example 1. 3 weight % of the zeolite Abscents® 3000 zeolite (supplied by UOP company) is blended into the EVA copolymer resin described in Comparative Example B. Head space analysis reveals that none of the bad odor/taste components are present to contaminate the water but rather the have been completely removed by the zeolite even in the presence of the strong oxidizer ozone. Thus, the water package is suitable for drinking.
